2018-19 HALF YEARLY REVIEW

February 2019

As you will have noticed, this year we have been sending out details of individual events rather than full newsletters with reports on past events. Instead, we have decided to send half-yearly reviews of the highlights of the events of the past six months and hope that you will all enjoy them and that they will bring back pleasant memories for those who were able to participate.

In addition, David has put together a great slide show of recent events and we would like to thank those who contributed the photographs.

PLEASE DON'T FORGET – our NEXT EVENT is the PUB QUIZ on 4th APRIL at the Woolpack, Burgess Hill. Details will be sent out later in February.
